

Raphael Chiropractic Fees

We are cash/check/card only. We do not take insurance. There is a \$10 traveling fee for those who are 15 miles or more from us (we are in Walton).

Regular fees	Adult (ages 13 and up)	Child (newborn to 12 years)

Subsequent visits	\$50	\$40

At the first visit we will discuss your health history and find out how we can help you. After our discussion, we will adjust you.

Please note: Our fee structure is based on a mindful decision to avoid the insurance process, which is time consuming, and onerous. Rather, our focus is to provide high quality chiropractic care, where we offer value by

spending more time caring for you and your family, rather than processing insurance paperwork. We hope that this approach will offer a greater overall benefit to our patients. We thank you for entrusting us with your chiropractic care.

We retain the right to change our fees at any time.
